## Warranty Regulation and Liability

### Terms and Conditions

Amosolar Co.,Ltd Grants a warranty of 120 months as standard. Starting from the date of the purchase invoice marked. Amosolar will only perform warranty service when the faulty module is returned with a copy of invoice and warranty card which were issued by the dealer to the users. And the unit should be returned in its original or equivalent package. Please preserve the original package. The costs for the new packing and shipment are bore by the customer. In addition, the type label of the unit must be fully legible. If these requirements are not fulfilled, Amosolar reserves the right to deny warranty service.

### Exclusion of Liability

Warranty claims are excluded for direct or indirect damage due to:

1. 48 hours no charging battery after discharging protection startup;
2. Without warranty card and serial number;
3. Transportation damage;
4. Operating the modules with defective devices;
5. Other action violated against the specification.

To register your faulty **Amosolar** battery, please mail the warranty card to:
